Locating KU’s Integrated Library System (ILS)

- Open the Mozilla Firefox or Google Chrome web browser, and type in the following URL: keiserlibrary.com
- To perform a search on KU’s ILS which gives you access to KU’s library catalog, databases, and additional resources, you must login.
- The **Login** button is located on the top right corner of the KU Library Homepage.
Logging in to KU’s ILS

- Your **Username** is your **Student ID**, a 6 or 7 digit number that appears on your schedule and KU photo ID.
- Your **Password** is your **First Name** in lowercase letters.
- If you are not able to log in, please let a librarian or library assistant know as soon as possible.
Using KU’s Library Catalog

- Locate the search field appearing as **Enter search for : Subject**, to the right, click on **Searches ▼**, and select **Advanced Search**.
- On the Advanced Search screen, locate and click on **Subject ▼** to generate the drop down menu, and select **All Headings** when performing a search.
- Near the bottom left side, click on **► Libraries – All Libraries** to generate a drop down menu, and click on **All Libraries ▼** to select **West Palm Beach** and limit search results to our campus.
- Most items may be borrowed and requested via interlibrary loan from Florida-based libraries on the drop down menu and libraries that are members of the Southeast Florida Library Information Network (SEFLIN).
Using KU’s Databases

- On the KU Library Homepage and below the search field, locate and click on Databases.
- Under ▼ KEISER UNIVERSITY DATABASES and listed below are some of KU’s resources that provide you with collections of articles and other scholarly information sources.
  - EBSCOHOST DATABASE PLATFORM
  - LIRN DATABASE PLATFORM
  - PROQUEST DATABASE PLATFORM
Locating Additional Resources
